

# Principal Project & Management NE Ltd

## ENVIRONMENTAL POLICY STATEMENT

1. PRINCIPAL PROJECT & MANAGEMENT NE LTD recognises its environmental duties under the Environmental Protection act 1990 and the Waste (England and Wales) (Amendment) Regulations 2012. The Director, Richard O'Connor recognises that he has a responsibility to take an environmentally (and socially) responsible approach both to existing activities and to possible new developments.
2. Principal Project & Management NE LTD, so far as is reasonably practicable, proposes to pay particular attention to:
  - a) Minimise disturbance to the local and global environment, and to the local communities and wildlife.
  - b) Follow the waste management hierarchy as outlined in the Waste (England and Wales) (Amendment) Regulations 2012. PPMNE will follow the hierarchy outlined below:
    - (1) Prevention
    - (2) Preparing for re-use
    - (3) Recycling
    - (4) Recovery
    - (5) Disposal
  - c) Minimise use of energy and raw materials and to adhere to the principles of sustainability.
  - d) Consider the environment in the design of processes and products and the maintenance of equipment.
  - e) Provide information on the use and final disposal of products.
  - f) Ensure that all employees and suppliers are adequately informed about the Company's environmental policy.
  - g) Minimise the use of product related materials and services such as packaging or transport.
3. In order that Principal Project & Management NE LTD can achieve those objectives, it is important that employees recognise their duty, whilst at work, to take reasonable care of the environment. Employees should also co-operate fully with the company or anyone else concerned, to ensure that their legal and moral obligations are performed or complied with.
